DANISH MTBO CAMP

1. Welcome

The MTBO-camp organizing team warmly welcomes you to 2019 edition of “Danish MTBO camp”. It has become a tradition with a season-opening training camp in Denmark offering mapping and course-setting of the highest standard. The 2019- event will not let you down!

Mapmaking and coursesetting is done by experienced people also involved in the upcoming World Championship in Viborg. This gives the athletes the opportunity to nearly see, taste and experience some of the expected challenges, waiting just 3 month later at the startline for the World Championship.

On behalf of the organizing team,

Bjarne Hoffmann, Event director
