DANISH MTBO CAMP 2021

28th April – 02nd MAY.

1. Welcome

The MTBO-camp organizing team warmly welcomes you to 2021 edition of “Danish MTBO camp”. It has become a tradition with a season-opening training camp in Denmark offering mapping and course-setting of the highest standard. The 2021-event will keep on the high level of mapping and course setting as most of you experienced during the World Championships and open races in Viborg 2019. Same mapper and course setters. **What’s not to like?**

Due to the reason that the MTBO CAMP 2021 is during a holiday week. The accommodation will be booked fast by ordinary costumers. Therefore we have decided to send you this pre. bulletin in order to give you the chance to get your accommodation in place.

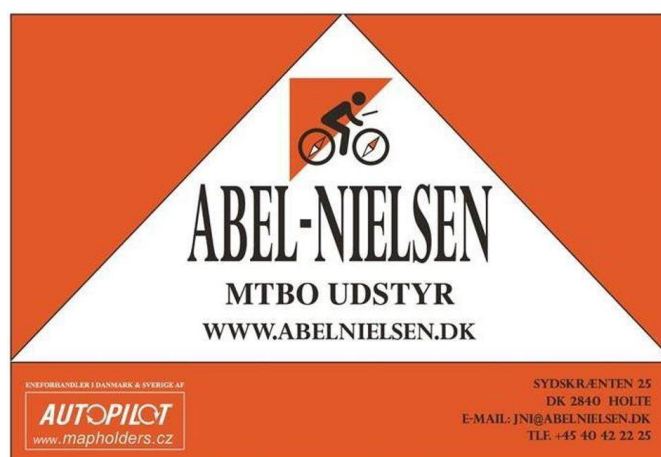

On behalf of the organizing team,
