

# Hanstholm, Denmark

# 28<sup>th</sup> April – 02<sup>nd</sup> May 2021

# Bulletin 1+2

MTBO Camp is an early season event, with a lot of MTBO, socializing, high-intensity competitions and low-intensity technical trainings.

# <u>Covid 19</u>

As we can foresee Covid 19 restrictions will still be active, the number of participants will be limited to 150 – with this number we assume we can handle eventual restrictions.

The organizers will publish the latest Covid 19 restrictions in Bulletin 3. It is very important that you as a participant will follow these restrictions in order to keep the Camp safe. The organizers will of course help you with these restrictions. But, in the end YOU are responsible following these restrictions.

The organizers will highly recommend the participants to get a Corona test no later than 4 days before the event. In order to protect the rest of the participants and yourself.
